and the distance you walk is up to you.**

A Walk in Their Shoes features:

- Refreshments
- An Ethiopian Merkato (purchase items made in Ethiopia)
- An Ethiopian Coffee Ceremony
- The Walk will feature pictures and stories along the route of children and women in Ethiopia
- “Discover Ethiopia” a fun contest
- A moving closing ceremony will make this fundraiser an afternoon you will not forget. A Walk in Their Shoes will be educational, fun, motivating and will connect us deeply to the women and children in Ethiopia.

In the past 12 years, Mothers with a Heart for Ethiopia (a volunteer driven organization with very few costs) has sent over \$1 million dollars to Ethiopia to help fund 7 projects! The impact of our funds in Ethiopia is unbelievable! Hundreds and hundreds of women's and children's lives have been improved dramatically and a strong message of love and compassion from Canada has been felt.

Mothers with a Heart for Ethiopia has made it super simple to participate. If you join my team, I will send you a link to their website which will provide you with all the information and tools you need to participate.

Join me and let's make a difference for real women and children who need our care and compassion.
